Demon Killer (WWC3) (Completely negative MFs are always destroying their reputations while always comparing their entire lives to mine verse) (JBM111 of Prod. Sprite Beatz):

Runnin, runnin, runnin, runnin, imma killin' all of tha evil.
Bein' quicker than shit while also stayin completely unaffected while they are always bein' slower than a computers operating system that froze.
Them fake gangstas are tellin' more lies than a person who is completely broke, gets high on completely illegal variants of marijuana, and drinks all of tha time for maximum depression relief. (JBM)
They strugglin' not bein' able to get tha love of their life while stealin' all of tha completely positive peoples personal info, email address, bank account info, social security number, currency, medical insurace shit, and everything else they have to help themselves stay off tha streets.
I always act like i am struggling with depression, spiritual energy, financial stuff, and completely fake ideas to keep throwin' em' off. (JBM)
Never giving up with getting better than tha past that gave me a seriously bad form of PTSD is always showing how i can keep up with doin' all of tha same work i was born to do.
They always call me an asshole, a completely horny motherfucker, completely disrespectful, a kid, and a dumbass for not knowin' anything about life as their only responses for
